LADDERS

W2/D117/H38 cm
W2/D154/H38 cm
W2/D208/H38 cm

Ord. no. 900040
Ord. no. 900060
Ord. no. 900090

Balton living is a shelf and living room system. The chrome metal ladders are the vertical construction elements in which the main bodies, shelf boards or corner boards can be hung. All surfaces are finished. The borders have an ABS finish.

When planning a program, you need to add the ladder width of 2 centimeters each to the total size of the main body.

For aligning ladder elements and wall-mounted main bodies, make sure that baseboards are removed.

For your safety, we strongly recommend mounting the ladders to the wall and eventually using a cross-tie (see accessories for order no.).

All main bodies (38 cm deep) are also designed for wall attachment and can be supplemented with wall boards.

The TV elements (52 cm deep) can only be used as standing elements.

The main bodies are equipped with glass boards. The glass cabinet elements can also be illuminated (see accessories for order no.).

Program types:

- _ White main body/white front
- _ White main body/black glass front
- _ White main body/hazelnut border in upper shelf board/white front

COMBINATIONS

Combination 01
Ord. no. 900001

Combination 02
